

2nd Cohort: Call October 2014 ---
 Mobility must start before 2015,
 December 31st

Host HEI: MONDRAGON UNIBERTSITATEA (SPAIN)

Type of mobility (Level and duration)	Starting date	Domain – Speciality	Topic - Name of program/degree	Main Language	Explanatory text	Academic Requirements	Mechanism of recognition and transfer used by your University	Homepage
Undergraduate: exchange student (6 months) Winter Semester Academic year 2015/2016	09/2015	Mechanical Engineering	Mechanical Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-mecanica/
		Electronics Engineering	Electronics Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-electronica-industrial/
		Computer Engineering	Computer Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-informatica/
		Industrial Design Engineering	Industrial Design Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-diseno-industrial-y-desarrollo-de-producto/
		Industrial Organization Engineering	Industrial Organization Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-organizacion-industrial/
		Biomedical Engineering	Biomedical Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-organizacion-industrial/
		Eco-technology Engineering	Eco-technology Engineering in Industrial Processes	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/ingenieria-en-ecotecnologia-en-procesos-industriales/
		Telecommunications Engineering	Telecommunications Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-sistemas-de-telecomunicacion/
Undergraduate: exchange student (6 months) Summer Semester Academic year 2015/2016	02/2016	Mechanical Engineering	Mechanical Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-mecanica/
		Industrial Design Engineering	Industrial Design Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-diseno-industrial-y-desarrollo-de-producto/
		Industrial Organization Engineering	Industrial Organization Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-organizacion-industrial/
		Biomedical Engineering	Biomedical Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-en-ingenieria-en-organizacion-industrial/

		Eco-technology Engineering	Eco-technology Engineering in Industrial Processes	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/ingenieria-en-ecotecnologia-en-procesos-industriales/
		Electronics Engineering	Electronics Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-ingenieria-en-electronica-industrial/
		Computer Engineering	Computer Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-ingenieria-en-informatica/
		Telecommunications Engineering	Telecommunications Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-ingenieria-en-sistemas-de-telecomunicacion/
Undergraduate: exchange student (10 months) Complete academic year 2015/2016	09/2015	Mechanical Engineering	Mechanical Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/estudios/grados/grado-ingenieria-mecanica/

		Telecommunications Engineering	Telecommunications Engineering	EN / ES	Primarily in Spanish / some subjects in English Consult the catalogue with lectures in Spanish and English for each semester	2 years of Scientific University Studies English B1 Spanish B2	ECTS	http://www.mondragon.edu/es/
Master (12 months) Complete academic year 2015/2016	09/2015	Organization and Industrial Management	Máster Universitario en Innovación Empresarial y Dirección de Proyectos	EN / ES	Lectures in Spanish or in English	Bachelor's degree in Engineering or Architecture. Previous studies will be checked in order to validate the inscription. Spanish and English level B2	Master Title of the Host HEI	http://www.mondragon.edu/es/estudios/master/master-universitario-en-innovacion-empresarial-y-direccion-de-proyectos/
Doctorate (Sandwich scheme): exchange student (9 months)	09/2015	COMPORTAMIENTO MECÁNICO Y DISEÑO DE PRODUCTO CIENCIA, TECNOLOGÍA Y PROCESOS DE TRANSFORMACIÓN DE MATERIALES	Diseño y Mecánica Estructural	ES / EN	Supervised research activity. Exact placement depends on research interests.	At least 1.5 years of PhD studies at the time of the expected mobility	ECTS	Diseño y Mecánica Estructural
	Acústica y Vibraciones							
	Mecánica de Fluidos							
	Tecnologías de Superficies							
	Tecnología de Plásticos y Composites							
	Mecanizado de Alto Rendimiento							
	Procesos Avanzados de Conformación de Materiales							
	Sistemas electrónicos de potencia aplicados al control de la energía eléctrica							
	Accionamientos aplicados a la tracción y a la generación de energía eléctrica							
	ENERGÍA ELÉCTRICA
